

about

Ramzi Nabulsi is a young and talented director committed to communication through the visual medium.

Having completed six years of study in film, television and multi-media, Ramzi has developed foundational knowledge of the industry and its implementation.

Ramzi has written, directed and edited for broadcast television, produced four of his own short films and crewed on countless others.

Bursting with enthusiasm, Ramzi is keen to learn and contribute to the industry, communicating ideas that are wholesome by nature, inspiring to the spirit and by all means entertaining.
